Dear Brother Randall:

I deeply regret that my schedule during the past few weeks has been so full that I have not even had the time to write expressing my pleasure at our recent meeting together. It is true that I would have been unable to further consider the work at Forest Hill but this was no indication as to a lack of interest in the great future that the congregation has before them.

It was a genuine pleasure to become acquainted with you and your wife. The entire group of Elders impressed me deeply. With Brother Freeman's ability coupled with the dedication and planning of your Elders, I can think of nothing but good for the future of the congregation and it is my sincere desire that the future will allow our paths to cross in service to God.

Fraternally yours,

John Allen Chalk
