Mrs. Guy Combs  
Morristown, Tennessee

Dear Mrs. Combs:

After careful examination, I can say with full assurance that there has been no case of a woman baptizing any person or persons at the Broad Street Church of Christ. Typical of so much of their deception, the "Mormon Elders" have told another falsehood. Wherever the Apostles of Falsehood go, they must speak their claim with untruthfull allegations.

If any future discussions occure on this, demand that they produce the proof. They are under obligation to document their claim however no documentation can ever be successful made.

Your son, Marvin, has been an inspiration to us in our work and to all students on the Tech campus who know him.

Fraternally yours,

John Allen Chalk
