Dear Folks:

There is now way to adequately express my appreciation to you for all the kindness you extended to me during our recent meeting at Findlay. You did everything within reason to make me feel welcome in your home and in our work at the church. My wife and I both send our sincere gratitude for a very pleasant visit and excellent meal in your home.

I am especially impressed with the excellent work that Bob is doing with the Findlay Church. I know that much of this success can also be attributed to the wonderful dedication of the entire family. I hope that the future will offer us many opportunities of association together.

Fraternally yours,

John Allen Chalk
