Attention J. Ray Crook

Dear Brother Crook:

I am in sympathy with the thinking of the Brethren there concerning our proposed 1962 meeting. I am sure that a spring meeting would be much better. My one complication is the fact that I am attending Tennessee Tech and will not finish my work there until June 4, 1962.

I have conducted meetings the first week in the new year and found them to be satisfactory. I could be with you there January 1 through 7, 1962 or June 11-17, 1962. Please feel free to thoroughly discuss this situation. If neither of these two dates is acceptable, I would have to request that we reschedule my meeting for the spring (March 15- April 15 per your suggestion) of 1964. This will be agreeable to me in every respect. Let me assure you that whatever the Brethren feel is best for the situation there will be fine with me.

Fraternally yours,

John Allen Chalk
