Dear Brother DeHoff:

I received a letter relative to the Owensboro, Kentucky work a few days ago with a suggestion that you had recommended me for that work. I am writing this letter to express my personal appreciation for your interest in me and your willingness to recommend me.

Encouragement and support from men of your ability and caliber is continually needed. The fact that you were willing to take the time and the trouble to offer such a recommendation is commendable. It suggests to me that you are concerned with the future of the Church and are attempting to provide helpfulness in every way possible.

I was unable to allow them to consider me for the work but deeply appreciated your suggestion that they write.

We send you our best wishes and prayers for the continued growth of the school.

Fraternally yours,

John Allen Chalk
