Dear Don:  

Your recent letter of invitation was deeply appreciated. It is always good to know that my personal friends from the "old days" are making significant contributions to the Lord's work as I know you are. I remember meeting the Gentry family but now wonder why I did not ask about the congregation where they worship. Please give them my regards.

I will be able to come the dates suggested in your letter. The only indefinite part of this matter is a meeting in McGregor, Texas which is in the process of possible rescheduling. If this meeting remains at the present date, it would close on June 17. This would mean that I would have to start our effort on Monday night, June 18. I would suggest that we schedule the meeting to begin Monday night. This is not only due to the uncertainty of the McGregor date but also due to the number of Sundays that I already have scheduled in meetings for 1962. If this meets with the approval of your Elders, I will expect to hear from you in the near future. If not, you may suggest their alternate date.

Sue and I send your family our best regards.

Fraternally yours,

John Allen Chalk
