Dear Dale:

I was extremely happy to learn that you will be going to Harding College Academy. With your determination to do what is right and your willingness to learn from others, you will certainly make a success. Remember that this is an opportunity which comes but once in a lifetime and comes but to few young men, therefore the efforts which you make at Harding will largely determine your future usefulness to the Church.

Please convey my best wishes to your family. I appreciated your mother's letter recently telling me of your trip to Harding and the success of it. I send you my deepest interest and best wishes for what I know can be a highly successful future.

Your brother in Christ,

John Allen Chalk
