Rachel:

Please hold this material for John Allen. He told me via phone this morning that he would be in Abilene on the 2nd or 3rd and would prefer to pick this up there.

If his plans change, one of us will ask you to mail it on to Cookeville. Hope everyone there is well and that things are going fine.

Clois might like to look at this to see what we are doing.

Thanks,

*Gwen*

P. S. When you send me the expense forms, please stick in some carbon paper. I forgot to get any. And if you'd have someone Xerox this one mailing --just what I've typed--for my records and send the Xerox copy back, I'd be most grateful.

PPS Please ask Clois if we may subscribe to the \$1.00 a year Christian Medical Society Journal and if John Allen may have the new Billy Graham book called something like America Aflame, which costs about \$3.95. This would be sent directly to him after I had read it and marked the most pertinent passages.
