Dear Brother Acord:

It was a pleasure to make your acquaintance during the recent Campaign for Christ in Madison, Wisconsin. I know the brethren at Madison deeply appreciated the trouble to which you and others went and the sacrifices you made to assist them in that great effort. The latest count indicates that fifteen persons have been baptized into Christ as a result of this unusual effort.

You requested that I send you a copy of the material used at the class on Sunday morning, if I remember correctly. I am enclosing a copy of an outline that provided the basis for most of the remarks I made. Some of the material, however, is not presented in this outline that I use. Unfortunately, I have no way of giving it to you except as you are able to remember what I presented that morning.

Thank you for your request, and it is a pleasure to have made your acquaintance.

Fraternally yours,

John Allen Chalk
