Dear Miss Agee:

I did appreciate getting to be with you during the recent T.E.A. Leadership Conference at Tennessee Tech. It was such a pleasure to get to know you better after hearing about you from my wife.

Thank you so much for attending our services on the Sunday you were in Cookeville. I hope by now that you have received from our office in Cookeville the requested tape. We are happy to send you this tape and hope that you can use it in some meaningful way.

We have finally gotten moved and somewhat settled in our new home and would appreciate hearing from you at your convenience. Our new address is 809 Byrd Drive, Abilene, Texas.

With kindest regards,

John Allen Chalk

Dear John,

I hope you won't mind me calling you again. You and your family seem so young to me. I just heard a wonderful sermon on 'Family Living.' How often I have referred to it when talking to friends! I have been thinking each day I would write you to see if you could send us a copy of the sermon or a tape of it if you can do this (as long as you also need). I shall be glad to pay you for any expense involved.

Thank you for all your efforts.

God bless you in your work.

Sincerely,
