Dear Joe:

It was a pleasure to see your two associates during the A.C.C. Bible Teachers' Workshop last week. I continue to read with unusual interest and excitement the Central Herald. The work there is obviously making rapid progress, and I know much of this is due to the dynamic leadership you are providing and the penetrating preaching that you are doing.

I was happy to notice that you have recently listed our Herald of Truth radio program heard in Amarillo on Sundays over radio station KIXZ. Enclosed is a list of sermon topics for the month of August. I will try to remember to send you a list of sermon topics for each month as they are determined, prepared, and approved. This way you can also include sermon topics in your advertisement of the program in the Central Herald each week. This should add to the interest of your members in listening to the program.

Let me know if I can be of any help to you in the work there at any time. We appreciate so much your encouragement of Herald of Truth and the congregational support of the program. Any assistance you can offer us along these lines and any suggestions about improvement of sermons and other such matters will be deeply appreciated.

Fraternally yours,

John Allen Chalk

Dear Joe: The program topics for the September
the Herald of Truth broadcasts to the Dallas

We appreciate so much your recent story about my
work with Herald of Truth in the Central Herald.
I know this will create a favorable impression
among your membership and will provide an effec-
tive base from which to encourage their continued
support of our work.

Sept. 13-1964, "When Religion Becomes Christianity."
You are doing a great job with this good church
and are providing the leadership that it has badly
needed. All over the brotherhood, the Central
work is providing encouragement and inspiration to
others who have great potential yet unrealized.

Best wishes,
Thank you so much for any encouragement and support
of our program that you have given and will give.

Lois S. Taylor
Secretary to John Allen Chalk

Fraternally yours,
