Dear Walter:

All of us are deeply indebted to you for your tremendous leadership provided the Nashville retreat. Your willingness to keep up with all the details was a tremendous contribution in itself. I look forward to spending some time with you before too long.

I have misplaced my copy of the manuscript I submitted for the Midland Mission's Conference, "Advancing the Church Through Effective Missions." I would appreciate your sending me the original or a copy of the same. This is what you used for the adaptation in the 20th Century Christian.

Congratulations on a great Exodus issue. I know it demanded a great deal of your time, but it should prove helpful for a long time to come.

Fraternally yours,

John Allen Chalk
