Dear Bro. Chalk :

Enclosed with this letter you will find a very important questionnaire. The answers to its questions could easily influence for the good literally thousands of souls related to where they will spend eternity!

Please, conscientiously take about fifteen to twenty minutes of your time to answer all the questions which apply to the situation in your congregation. Be honest before God and with me, because I promise you that only God and I will read your reply, and all answers will be held in strict confidence.

My purpose for sending out this questionnaire is not to be nosy or a meddler in other men's affairs, but simply to accumulate some information that will help me improve what I am presently able to accomplish in men's training classes.

Will you please answer by return mail in the enclosed, stamped envelope?

Should you have any questions of any nature, please feel free to write me concerning them. Thank you for your attention to this.

Your fellowservant in Jesus Christ,

*Finis Jay Caldwell, Jr.*  
Associate Director
