Dear brother Chalk:

Brother Dale Smith, a very faithful gospel preacher who has been preaching for Tarrant Road Church of Christ in Grand Prairie, Texas, will join us in just a few days moving to Goshen, Indiana. He will be living there and working about a six state area there. He is here in our office today, and we are talking about the Lipscomb Lectureship in January. We are asking him to drive over there and be with you during that lectureship. After talking to you the other day about you and Batsell handling it, I would like for you to present brother Dale before the group that day and give him all the help you can to get him acquainted with as many people as possible during that lectureship. Use him in some way during the luncheon.

Sincerely yours,

HIGHLAND CHURCH OF CHRIST
