Texas City, Texas

Dear Nancy & Buddy:

The most enjoyable visit of my week was in your home on Friday. It was the first time of the entire week that I had relaxed and I certainly enjoyed our association. Nancy's meal was excellent and certainly appreciated by me.

I was sorry that we couldn't make the arrangements for the plane trip. I did get to Abilene Saturday morning and was able to record several sermons before coming on to Tennessee that evening. I know that you provide a tremendous amount of inspiration and encouragement to the work of the church in Texas City. I pray that you will continue that as I hope and pray that greater progress will take place in the next several months.

Thank you again for a very pleasant week in your city.

Fraternally yours,

John Allen Chalk

P.S. Don't you dare mention to anyone else that I said I had the best visit of the week in your home. You might have to feed me all my meals the next time I come.
