Dear Fred:

I have scheduled our mutual effort for December 4-9 at considerable risk. The Highland elders are deeply concerned about my being gone so much this first year.

I am thinking that an urgent letter from you to Brother Cawyer about this meeting might help. Indicate your past support of Herald of Truth, talk about the benefit to the Los Angeles Campaign, and use any other means to secure his approval--legitimate or otherwise!

Though not sure of the meaning of "the threshold of kairos in the history of this congregation," I can sense a tremendous spiritual upsurge that must be taking place at Glendale.

Fraternally yours,

John Allen Chalk

Congratulations ! You made Action

John, Can you be a little more specific - and I to request permission for your coming or rather justify the commitment that has
