Dear Brother Chalk:

Since we do not have your correct address, we shall have to contact you through the church address there in Abilene.

It was good to have the brief visit with you the other day at the Lake Geneva Encampment. Getting the announcements and there by some contributions was appreciated.

Things are moving along as planned. Do you want us to reserve a hotel or motel room for you here in Madison or would you rather do that yourself when you arrive. Please advise us about this and when to expect you to arrive in Madison for your part of the campaign. Also let us know about anything nec. to help in being ready for the time. Please have the congregation there to pray for us especially on Wednesday night July 27 as we have a special prayer service here till midnight.

Yours in Christ Jesus,

David L. Desha, for Madison church
