Dear Brother Caskey:

Thank you so much for the kind invitation to work with the Pearl Street Congregation in a Gospel meeting. I have several months open in 1973, 1974, and 1975. I could come in February, July, or November of 1973. In 1974, I have February, July, or August as possible months. In 1975, we could arrange for almost any time. My only request is that the meeting begin on a Sunday morning and continue through a Friday night. I do hope the brethren will approve of this scheduling. It is necessary because of the press of my own schedule.

Please choose one of these months, if one is acceptable, and the year, and reply in the near future. I will be happy, then, to suggest a specific date unless you have already suggested one.

Fraternally yours,

John Allen Chalk

Dear Brother Chalk:

We are in the process of arranging extended plans for future Gospel Meetings in this congregation. The Elders have asked that we contact you, inviting you to have part with us in a Gospel Meeting at your earliest open date (after 1970). The congregation here is enjoying a surge of growth. We feel that we are definitely in need of the type of preaching that you so capably deliver.

Our present membership is under 650, but we hope to see a substantial change in that before very long. Brother Kenneth Dye has recently been hired by this congregation to work with us beginning in September, for six months previous to our sending him to (the island of the Caribbean), where the congregation will sponsor a new program of mission expansion in that area.

We will look forward to having a reply from you. We hope that you can be with us.

Faithfully yours,

David Caskey
