Dear Allen:

We were pleased to receive your letter of August 3 and we are herewith enclosing the requested radio sermons for June and July. We appreciate your letter and want to encourage you to make any suggestions that you feel will help make the program more effective.

I have made no mention of "The tragic death of Marilyn Monroe." As far as we know, there has been no mention made of this in any of our radio programs. However, we cannot be sure about the television programs. If you have any information regarding the date this was heard, or whether it was radio or television, we might be able to make a more definite statement regarding this matter.

Thank you for your kind letter. Let us know when we can be of any help to you. We were especially pleased to note the advertisement that you place in the local paper each week concerning Herald of Truth.

Faternally yours,

John Allen Chalk

Please send me the radio sermons for July. (one copy of each) If possible, please send also the June sermons.

A man in the city, not a member of the church, thought he heard a program on "Herald of Truth" that dealt some with the death of Marilyn Monroe - "The tragic death of M. M." If there was such a program, please send an extra copy of this. If there was not, just disregard this request.

Thanks,

Allen Dixon
