Dear Brother DeWelt:

We are happy to send you twenty-five copies each of the July Herald of Truth radio sermons as you requested. It is a pleasure to know that we can be of assistance in providing this material for use in your preaching class.

Thank you so much for the complimentary remarks regarding the films. We do hope that they will be valuable to you. You should be receiving copies of the radio sermons in the next few days.

Thank you for this request. Let us know when we can be of further assistance.

Fraternally yours,

John Allen Chalk

Dear Brother Chelle:

Just a note to let you know how very much we appreciate the films— we feel a presentation of them in our preaching class will aid greatly in an example of communication of truth to the popular mind.

Your thoughtfulness in sending the July sermon from the radio is much appreciated — could we get 25 copies each for our young men?

I hearst that someday we can meet.

Yours truly,
Don DeWelt.

Dear Brother DeWelt:

At our radio and television committee meeting today, Mr. Wally Bullington, Coordinator of our programs, suggested that you had made a request for certain television prints to be used in connection with the training of preachers at Ozark Bible College. You will be hearing from Mr. Clois Fowler in the very near future in answer to your request. We are happy to have a part in this work in whatever way possible.

I have taken the liberty to enclose a copy of all July sermons on Herald of Truth radio. Although you may already have copies of these, I thought you might be interested in them, because the themes developed are themes common to both our ministries.

I have followed closely your good work, especially regarding the publishing of many excellent studies in the New Testament books. We send you our very best regards and solicit any constructive suggestions you may have that would improve the effectiveness of our broadcasts.

Fraternally yours,

John Allen Chalk
