Dear Allen:

Thank you so much for your letter of September 22. I regret being out of the office and unable to answer it at the time that it came. I did appreciate the further clarification of the Marilyn Monroe situation about which you spoke.

In your letter you requested copies of the August and September radio sermons. I understand that these have already been sent to you. If not, you might drop me a note and I will make sure that they are sent.

Thank you so much for the kind remarks you made about our special documentary. Our efforts and aims are pointed toward making our program the most effective radio program heard in America today. To that end we solicit your prayers and any constructive suggestions you want to make and feel will be helpful from time to time.

We send you our best wishes and prayers for your work. Thank you for your encouragement.

Fraternally yours,

John Allen Chalk

Dear brother Chalk:  

Thank you for your good letter. I mentioned to you that someone here thought they heard something about the "tragic death of Marilyn Monroe" on "Herald of Truth." This man realizes now that he heard it on another program that I think is called "Herald of Freedom."  

We enjoyed your part and other parts on the special broadcast: "Broadcasting, a voice for morality."  

Please have me sent one copy of each radio sermon for August and September. If I am supposed to pay for these, will be happy to do so.  

Brotherly,  

Allen Dixon
