Dear Paul:

Thank you so much for your reply of August 22. I do understand what
ab have had and appreciate so much your taking
the time to reply when you did return to the campus.

I hope that you are having a great school year. It will be a joy to hear
your chorus this year if the opportunity is provided.

My family and I have listened to the record you sent many times. I
tried to find the price on the outside of the album but have not been able
to find it. Please let me know the cost of it. It is certainly worth buying.
We have enjoyed it immensely.

I am not sure about any of the situation on the West Coast regarding next
year's campaigns. I am keeping in mind our conversation regarding them
and do hope that I can in some way prevail on the brethren there to invite
you. I think this especially would be an opportunity at Sacramento. Please
keep it in mind, and I will try to get some action on this in the very near
future.

My very best wishes to you.

Fraternally yours,

John Allen Chalk

DATE August 22, 1966

Dear JAC:

Thanks for this note--I'm dreadfully
late in getting anything done this
summer. After we left Springfield
I started my work with the New York
Pro Musica, and I've just completed
the session with Robert Shaw. Great
summer! Even though I haven't been
pool-side since I saw you last. I
hope everything is well with you.
Let me tell you how very much I enjoyed
being with you in the meeting in
Springfield--it was a great experience
for me. Under separate cover I'm sending
you a copy of the album we produced this
year, hoping you won't forget us and
the work we are trying to do up here
in the north. I know you are busy,
but I would certainly like to hear from
you when your secretary gets a minute.
