West Sparta Elementary School P-TA

SPARTA, TENNESSEE

April 2, 1966

Mr. John Allen Chalk,
Broad Street Church of Christ,
Cookeville, Tennessee.

Dear Bro. Chalk:

As my little boy would say after eating a cone of chocolate ice cream, "That was the bestest I ever saw."--- and we would like to say that was the "bestest" talk we have heard in many, many moons last Wednesday.

Quite a number of the P. T. A. members at the school have mentioned what a deep impression you and your subject made on them.

In our small manner of showing appreciation, we are enclosing under separate cover a little gift. Would that it were more! Also, in your name, we have subscribed to one year's copy of the national P. T. A. magazine, which you appear to enjoy.

No need showering you with wishes for great success in your new adventure in Texas, for assuredly and without doubt, it will be yours.

Sincerely yours,

Gladys G. England,
(Mrs. Edsel)
Corresponding Secretary
