Dear Wayne:

Thank you so much for your letter of October 6 regarding our short meeting for March of next year. I can arrange to be with you beginning Sunday, March 12, through Tuesday evening, March 14, 1967.

I realize this may not be enough time for a good meeting, but this is all the time that I can arrange to be away from my work here. If the brethren desire these dates and desire my coming, I will be glad to hear from you in the near future.

Please accept my prayers and best wishes for your continued good work. Your question regarding remuneration is not answered because that is a matter entirely up to the brethren there. I will be happy to come and work with you for whatever they feel is right.

Fraternally yours,

John Allen Chalk

Dear Bro. Chalk:

The brethren have asked me to write to you and find out what time in March of 1967 that you could be with us in a short meeting.

We would appreciate it if you would also give us the salary cost you would expect for the work. We are making our plans for a new budget and would like to know what is reasonable wages for a man of your ability.

Please do not be bashful about our request. You will do us a favor to be frank about this matter.

Expecting to hear from you soon.

Sincerely,

Wayne England
