Dear John,

I expect you are surprised to receive a letter from me so soon after your leave. There were some things I wanted to say to you before you departed that could not be expressed at the time. Therefore, this note.

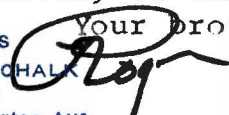

I believe you know the high regard and appreciation that is in my heart for your work and for your spiritual insight. Even though we might have had a few differences, which I cannot remember if that be the case, I regard you as being one of the most deeply spiritual persons among my acquaintances. You were certainly a great source of inspiration to my life. My prayer is that you will be granted a long life of service.

Harold is getting to know many of our members even now. He is really a fine person and a capable preacher. He will have to face a few difficult moments but by and large the church has accepted him with open arms. I certainly hope he will be able to overcome any problems that he might meet. His ideas are good and he, like you, has only the welfare of the church in mind.

John, you know I want to help you in anyway possible. Just call. Regardless of what your needs might be whether it **Concerns** Herald of Truth or transportation "home", don't fail to let me help. You know I mean that sincerely.

It was an honor for me to be associated with you for two years and I hope that someday we will work together again.

Your brother,
