# Freed-Hardeman College

Director of Public Relations

HENDERSON, TENNESSEE

Dear Alumni, Friends, and Students:

The Annual Freed-Hardeman College Alumni Banquet will be held at the B & B Restaurant, Court Square, Cookeville, Tennessee, at 7:00 p.m. Tuesday, February 22, 1966. The price will be \$1.40 per plate, including tax and tips.

Everyone is invited to attend. This includes alumni, friends, parents, and prospective students, especially juniors and seniors in high school. We hope that all high school students will attend, but the juniors and seniors in high school who are prospective students are invited to come as guests of the college.

Line up a group from your congregation, school, or community, and send the names as soon as possible to:

Mr. Glen Ramsey  
1519 North Dixie Avenue  
Cookeville, Tennessee

Write or call him as far in advance as you can. He needs to know how many are coming. A good program will be presented.

## Scholarships Offered

An Alumni Scholarship of \$200 may be awarded to some student in this banquet area. The name of the person to whom the scholarship is to be given will not be announced, however, until the \$100 has been received from the alumni to match the \$100 given by the college. A committee may be appointed to raise the money and select the person to receive the scholarship.

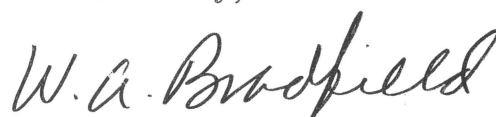

## Juniors May Attend Summer School

The Southern Association of Colleges and Secondary Schools has granted Freed-Hardeman permission to admit superior students to college courses during the summer following the junior year in high school. Juniors will be admitted to the Summer School Program upon the recommendation of the high school principal or counselor. The student must be in the top twenty-five per cent of his class, and he should have a high Standardized Test Score. After the student has spent the summer in college, he will return to his high school for the senior year of work. The early admission program should prove to be a great advantage to academically talented young people.

## Send Names of Young People

Please send me a list giving the name, address, and grade of each of your young people in the congregation, ages 8-17. We want to send these young people literature about the Mid-South Youth Camp.

Sincerely,

W. A. Bradfield
