Dear Brother Fuller:

Here is the latest regarding John Allen's arrival in Madison on Saturday, August 6.

I understand that John Allen is to be at the T.V. station at 2:00 on Saturday to make preliminary arrangements to begin the television programs on Sunday.

The schedule we now have set up will have John Allen arriving in Madison on Northern Airlines Flight 131 at 1:30 p.m. on Saturday, August 6. I would imagine you or Brother Desha would want to meet the plane and take John Allen to the television station.

We are thankful to have the opportunity to preach the Gospel, not only in person, but by means of television, over two Madison stations. Be assured all of us here will send many prayers to the throne of Grace on behalf of the efforts there.

In Christ

Dear Bob:

Thank you for your very encouraging letter of July 25. I had been very deeply concerned with the low number of workers we would have in the Madison Campaign. According to the estimates in your letter, however, it appears we will have a good number of workers and will be able to make a real impact on that city.

I hope to make even greater spiritual preparation in the days just prior to the campaign. It will be my sincere desire to make the greatest contribution possible to the great work that I know you and David are doing in Madison. We are coming to help you and to aid in whatever way we can.

I remember with such admiration and respect your family, that I am looking forward to working with you during the week of August 7-14. Any last-minute suggestions or questions that you have will be appreciated by me. Otherwise, I will be arriving sometime on Saturday, August 6.

Fraternally yours,

John Allen Chalk

Dear John Allen:

Thought I would write a line or two to let you know that everything is really shaping up in every way as regards the campaign. We have excellent radio, television, and newspaper coverage and hope to have other media secured in a day or two.

We will probably have over 50 workers a day (not too badly!) for every week. We hope to baptize 100 in these three weeks and will be working toward that goal.

We also believe that large crowds are going to attend the preaching services although we have no way of gauging an estimate since no other similar meeting has been held in Madison as yet. We believe God will cause them to come!

John, I intend to call every preacher in town before the preaching services and invite them to come and hear "God's Ecumenical Plan." Maybe some will come (every night) before you get down to this particular sermon. We are praying for you as we know that Christ's power will be seen through you and in your spirit-filled lessons.

I am going to talk to the television salesman today and see if we can get you on TV while you are here. This would leave a lasting effect and really enhance your radio broadcast in the city. Will let you know.

(We might even slip off and make the "second-hand" religious book stores!)

Looking forward to seeing and hearing you again.

In Jesus' Name,

Bob Fuller
