Dear Paul:

Thank you so much for writing concerning our proposed Gospel meeting with the North Central Congregation. I have appreciated so much the leadership you have offered our Herald of Truth work in Indianapolis and would like nothing better than to work with you and the group there in such an effort.

I do have available Sunday, March 1 through Friday, March 6, 1970. I have no time available in 1971. If this date would fit into the schedule of your work there, I will be happy to definitely confirm it, and I would look forward to it.

If another date would be better, or if you would like to schedule this effort in later years, I would be happy to work with you on that.

Convey to me the wish of the brethren, and I will be happy to work with you. Unfortunately, my schedule will not allow for a meeting longer than a Sunday morning through a Friday evening. If this meets with the approval of the brethren, I will look forward to hearing from you in the near future.

Thank you again for all you are doing for Herald of Truth. We hope and pray that our ministry on this program can be a direct aid and a useful tool in evangelizing Indianapolis.

Fraternally yours,

John Allen Chalk

Dear Brother Chalk:

In our conversation while you were in Indianapolis, you suggested that I write you concerning a meeting at North Central congregation. We have meeting time open for the spring of 1970 or spring or fall of 1971. We prefer the middle of May in the spring or the first of November for the fall meetings.

We would be glad to have you at any of these times, but if you cannot come then, please let us know when you have available time.

It was good to be with you at the youth meeting in Indianapolis last month. May God bless you in your work.

Sincerely,

W. Paul Galyan
