Dear Bro. Chalk:

Received your letter of the 14th and was sorry to hear that the tape entitled "The Mission of the Church" might have been misplaced. We visited there Sunday, November 28. We were especially interested in that lesson, but, in case it can't be found, do you have any other tapes along that line that we could use for our training class? We assure you that they will be handled with proper care. Thank you for your concern and sorry to be such a bother but can't help wanting to share a good lesson with those who have little opportunity to hear other preachers in the brotherhood.

In Christian love,

*Melvin B. Gambrell*
