Abilene, Texas

Dear Brother Gladden:

It now appears that our best bet is to go ahead and buy since we cannot arrange any satisfactory lease-purchase arrangement. We are still very interested in the house on Canyon Court but will need to wait awhile in view of what now appears to be a definite August move. I know this is running a risk that someone else may purchase the house, but I would like to wait as long as possible so that the period between purchase and occupancy will not be too extended. You feel free to advise me about this, however.

You might be watching for other possible houses that we could buy with at least four bedrooms and a good location.

I will be in Abilene the week of February 1 and hope to make some final decisions at that time. Thank you so much for your words of encouragement. I do believe this is the right thing to do but, of course, am apprehensive as to my ability to get the job done.

Fraternally yours,

John Allen Chalk
