Dear Clieett:

We have definitely scheduled you to be with us for the 8:45 and 11:00 A.M. worship services on Sunday, March 6. You will also speak in the afternoon at 5:00 P.M. to our junior and senior high school students along with all other young people that we can get to attend from the area.

You should write either Glen Killom of the Willow Avenue congregation or Hans Novak of the Collegeside group for an appointment for that evening. The Willow Avenue service starts at 6:00 P.M., and you would have time to make it. I believe the Collegeside service is later; but regardless of the time, your 5:00 P.M. engagement would not interfere. We look forward to having you on that day.

Fraternally yours,

John Allen Chalk
