Mr. Roger Gribble
Wisconsin State Journal
Madison, Wisconsin

Dear Mr. Gribble:

I read with interest your articles that appeared on page 5, Section 1, of the August 13 Wisconsin State Journal. I was happy to notice that you did properly represent our conversation and found your article to be interesting and personally satisfying to me. So often in an interview like ours, it is difficult to keep matters in the proper perspective in which they originally appeared in the conversation. I think you did that in this article. Your account of the visits to our Wednesday night services was also an excellent one.

I would like to express my personal appreciation for the opportunity to get to know you and to have you do the interview. I know I speak for the entire Madison Church of Christ when I express their gratitude for the emphasis you gave to this effort.

I hope that the future will afford us other opportunities for personal association. Thank you for your help and your very courteous manner.

Sincerely yours,

John Allen Chalk
