GRIFFIN, GEORGIA

January 4, 1966

Mr. John Allen Chalk
542 North Washington Ave.
Cookeville, Tenn.

Dear John:

I have continued to read with joy and gladness the reports of your activities. I am real happy that we will now have the opportunity of hearing you preach again even though it is by way of radio. I am praying that God will use you to accomplish mighty works over the Herald of Truth.

The Lord has blessed our home with an addition of a pretty little girl, Bonita Kathryn, born Dec. 4. Our boys are growing up in a hurry. Dicky, the older one, became a Christian in October. Hope all are well in your family.

John, when you were here you indicated you might possibly return for a campaign in 1967. I know since that time many events and changes have transpired in your life, and that a great many added responsibilities and involvements have been incurred. However, if it is at all possible, we sure would like to have you come to Griffin for a campaign. If you can't make it in 1967, what about 1968? I am confident that a large number of souls could be reached and the church greatly strengthened in another evangelistic effort led by you. We would do everything possible to make it a real campaign that would result in a tremendous impact upon this city, county and entire area. Would you let me know something as soon as possible?

May God richly bless you and make you perfect in every good work.

Sincerely,

Evans McMullen
