Dear Brother Chalk:

Several weeks ago we received your request for support of the Harding Missions Seminar. On behalf of the elders at Heights Church of Christ, I would like to commend you and those of your planning committee for the forward step you are taking in your efforts to train missionaries for foreign service.

We are thoroughly in accord with the spirit manifested in this undertaking; however, we are not in a position at this time to support this project financially. We would like to know more about this project as time goes on, and especially would we be interested in knowing of the accomplishments made.

Sincerely yours,

*F. M. Walls*
