Dear Dr. Hays:

I deeply appreciate your considerate attention to a Miss Jean Denny referred to you sometime ago by my good friend, Dr. James Loden. Dr. Loden has forwarded your professional opinion to me, and I have found it extremely helpful in my work with Miss Denny.

We have noticed a decided improvement in her confidence and contentment. She has finished her last quarter's work at Tennessee Tech and is already in the middle of another quarter. This she had decided not to continue at the time you saw her.

Please accept my appreciation for your work with her. If there are any professional fees that have not been taken care of, I will be glad to help in whatever way possible.

Sincerely yours,

John Allen Chalk
