Dear John Allan:

We were delighted to find that you could be with us for our youth rally Friday, April 1. At our elders' meeting last evening the final confirmation was given since there was no conflict so far as we know with any activities in the area. Also, last evening our elders set up a budget for this program and we plan to advertise extensively. We hope to give our young people a very active hand in the promotion and execution of this program.

I will contact you a little bit later concerning some topic suggestions for that evening. Right now, however, we need a cut, mat, or a glossy print along with any suggestions that you might have for the program. We also need to know your plans for travel and whether you will have to stay overnight. If it is necessary for you to spend the night, my wife and I would be delighted to have you spend the night with us as we have plenty of room; or if you prefer, we will arrange for you to stay in a motel.

Again, we appreciate the fact that you can be with us and we will be looking forward to the program. If you need further information from us, please include it in your correspondence and we will reply, or feel free to call the church collect. Hope to hear from you soon.

Yours in Christ,

Jerry Hoover
