Dear Mr. Hornberger:

I have double-checked our active list of radio stations and have discovered that radio station KUDL in Kansas City is carrying our program at 8:00 a.m. on Sunday mornings. In your recent letter you suggested that the program had not been heard on that station at that time. We would appreciate your listening again for the program at 8:00 a.m. on KUDL. If you still notice that it is not being carried, we would appreciate your informing us.

I have no explanation for why letters you wrote to various churches were not delivered. In some cases it appears that the mail was refused and in other cases that there was no such address. I regret that you have had difficulty in this connection and hope that these difficulties can be resolved.

We appreciate your continued listening to our program and hope that you will support our efforts to preach the truth of God in today's world.

Sincerely yours,

John Allen Chalk
