Dear Bro. Chalk

Rec'd March issue of Action last^{wk} I have only
rec'd a few issues. I did not know about the
paper until a few mos. ago. I was indeed happy
to note you are one of the associates.

Just wanted you to know how much I
appreciated your timely article in Mar. issue
I have wondered for so long why this teaching
was not brought to the attention of our
people long before this.

It seems we have often failed in many
things. I have been here over two years and
there are a goodly number of congregations in
this vicinity.

I attend the Lynn St. Congregation. Attendance
to day numbered 283. Marion Stevens has
labored with this congregation approximately
three yrs. His resignation was made
known today effective around June 1st.
He is a very dedicated man. I regret very
much to see him leave.

Letter from the Moore family last wk,
informed the preacher home is under
construction & hoped to have it ready
for the preacher & family when they

move which is the latter part of May.

Bro Mead resigned 1st of year and accepted work in Ohio.

Dameron family moved to Cincinnati about the same ^{time} which took a goodly number from Skyline membership.

The reports though have been very encouraging. A brother by the name of Kirk from Huntington has been filling in until Bro. Howell & family arrives. It maybe that you are acquainted with him. The brethren in Oakland are favourably impressed and are anxiously awaiting his arrival.

May God bless you with zeal wisdom & courage to do the work you are ~~so~~ desirous of doing and doing as well.

In love & prayer

Esther E. Houston
