Dear James:

I was helped immensely in my work with Miss Jean Denny by your examination and professional opinion. Jean has seemed to be more content and confident than at any time since I have known her since her visits with you and Dr. Hays.

She was able to finish the last quarter at Tennessee Tech and has already plunged into her work again this quarter. Please let me know if any professional fees have not been paid that I could help with.

I treasure our friendship and look forward to associating with you in other fruitful endeavors in the years ahead.

Fraternally yours,

John Allen Chalk
