Dear Tom:

Thank you very much for sending us the name of Lem Rogers. From all that you say about him, I am convinced that he would do an excellent job for us. I am confident that his family situation would in no wise affect his work with this group.

At the present time, the pulpit committee has definite commitments to consider another man with the possibility of also looking at one or two others. I am giving them your information about Brother Rogers, but they probably will not contact him until their commitments to these other men have been satisfied. Of course, the possibility always exists that one of these men will be hired.

Thank you for your continuing interest in our work. God bless you in your great work.

Fraternally yours,

John Allen Chalk
