Dear John Allen:

Here is March issue hot off the press but it will take several days to process it for the mail.

Note two nice letters and they are really coming and we are now on our way. Over 1,000 added to our circulation since Jan 1st. Alan Bryan is going to make a play on my 70th birthday - June 30th - and see if he can add a few thousand. I appreciate it but feel a bit like a heel when I would rather he use it for something else.

You see what I say about your subject this month and I mean it. This is rich and Scriptural. I am so grateful to you. Make a note now to have April copy here by the first.

You sent $1.25 to send paper to James Vandiver. Don't do it. You just send the names of good people as you wish and we will send the paper. They will do their part in time. I do not want you to pay for them.

Whenever you feel we can do good say the word.

Love to you and Sue.

Remember April copy.

Dear Bro Lovell:

Enclose check for $5.00:

I would like to have a copy of the new Missionary Directory $2.00, and about 12 copies of the special Nigerian Issue to be printed in June 2 cts each, and balance of the $5.00 to be put in the "Miss-A-Meal" fund to be used where you see the need.

I am 77 years of age and not a great deal I can do now but to write to the missionaries (with a miss-a-meal enclosure), and to ask my sisters in the church to support the work in other countries as we have done (in Ethiopia, Tanganyika and others). The congregation here is small—about 12 families, only a few of which are in the WORKING class!

Most of the work of the church here is directed to helping the young men who are preparing to preach the gospel, who in turn help us with the Lord's days worship. These young men drive from near by Freed-Hardeman or Harding Graduate school. Some of our boys' are DeeHillon, Robert Qualls, Calvin Conn, John Allen Chalk, Carl Cheatham and others.

With kindest regards to you. May you and ACTION continue to be ACTIVE for many years to come!

Sincerely yours,

(Miss) Annie Laws
Dear Jimmie:

Keep us on your mailing list for another year. You are doing a wonderful work with Action. We can't tell that you are yet failing any because of age, but it is good that you are adding some fine young writers to your staff. They can help now when needed and be trained to carry on when you are gone.

We feel with much pride, that John Allen Chalk did some of his first preaching for this congregation and we regard him as outstanding.

With Christian love,

Mr. and Mrs. J. B. Austin
