PEPPERDINE COLLEGE

VERMONT AVENUE AT 79TH STREET
LOS ANGELES

January 15, 1966

John Allen Chalk
542 N. Washington Ave.
Cookeville, Tennessee

Dear Bro. Chalk:

First of all let us inform you that the seventh annual Mission Workshop will take place Oct. 7-9, 1966, on the Pepperdine College campus. Our planning committees are busy at work and we are anticipating the greatest gathering of Christian Young people in history. Plans are underway to procure the Shrine Auditorium with its 6,000 seating capacity for our final evening program. Initial response from several schools throughout the brotherhood indicate that students are making arrangements to be present from all over the nation.

We are writing you at this early date to request your presence as a speaker at the workshop. It is our conviction that you can do a great deal to influence young people to commit their lives to Christ in mission work. We are in the process of formulating exact topics but we must know by February 15 whether or not you can be present.

The theme which will be developed is CHRIST FOR THE WORLD; our stated purpose: "to move each Christian to personal commitment for world evangelism." We are convinced that this effort will herald a whole new era in mission work. Please pray with us daily that God will bless to the fullest this endeavor.

Yours in His service,

Carl Mitchell
