Dear John Allen:

I appreciated very, very much your fine letter concerning the work at Broad Street. It was kind of you to be so considerate, and it really made me feel good for you to take time from your busy schedule and write me.

As you know I did not come and talk with the Evangelistic Committee. However, brother Flatt, Sr. was through here Sunday and called me, and I can see there is a great work there. It would be a great challenge and I may have done wrong in not coming and talking with the brethren.

God bless you in your great work! You have been doing some excellent preaching. The responsibility you feel must be tremendous.

I hope to see you Friday evening, the Lord willing. Remember Jesus Christ, You are in our prayers, and remember us to the Father.

Faithfully yours,

James Moffett
