Dear Brother Chalk:

It was good to see you the other day at the lectures, and since that time I have been wondering what a nun does when a man winks at her. I will be anxious to learn the answer when you are in Flint to speak at the Junior and Senior Banquet.

In regard to your meeting her at Mt. Morris in 1974, we think that it would be good for you to come between September 15 and November 15 with the exception of Halloween week. Almost any Sunday through Friday will be fine for us during this time.

I hope that your work with the "Herald of Truth" will go well. I look forward to hearing from you.

Sincerely yours,

Ed Anderson
