Dear Bernice and John:

It was so good to hear from you even if you did send all the "chilling" news about Winnipeg's weather. I am so happy this occurred a year following my visit to your city. We would certainly be thrilled to have you at the Lake Geneva encampment. I am planning to be there all week and believe that we have a subject, metropolitan evangelism, with which we must come to grips. I understand the school situation but do hope that you can make it.

We are all doing fine. Trying to get ready to move to Abilene by September 1. We are deeply concerned about Bernice's operation in April. We hope and trust that everything will be all right.

Please send me Burton's Comfortable Pew. I have heard a lot about the book and would like to have it. Also be sure and let me know the cost on it. I treasure our friendship and hope that the future will provide many opportunities for mutual association and effort.

Fraternally yours,

John Allen Chalk
