February 21, 1966.

Dear John Allen,

We are forwarding "The Comfortable Pew". There is no cost involved as we got it from a friend whose husband works at the printers of the books.

This friend, Grace Green, would like to make a "deal" with you, she says. She'd like a copy of the "Praying Christ" and in return would send you a box of books on religious subjects such as she ~~now~~ sends to Mrs Reagan and Jesse Clayton. I told her I'd pass the information on for her and you could do what you wanted about it.

Are you going to devote full time to "The Herald of Truth"? Is this why you are moving to Abilene?

These days we wish we were back in Texas. It was a record 49 below last week and a town just north of here reported 66 below zero. We've had so much 40 below weather anything above that seems

almost balmy. We surely are looking forward to Spring!

We wrote Jesse Clayton that we would not be able to make the Lake Geneva Encampment this year but we are not going to give up trying until June 30th!

Windsor Park is having a Gospel meeting now thru the 27th with our new preacher, Bill Williams, doing the speaking. We are learning to appreciate him, his work and his family more & more as time passes.

Our very best wishes for you in all your plans, John Allen. So let us know from time to time how things are going with you

(Your Canadian buddies,?)

Sincerely,

John & Bernice
Muller
