Dear John:

Your secretary just sent me the new copy of the Yankelovich Report. Thanks a lot. (Or did she send it without your knowledge?)

As expected, I received a letter from Little Rock refusing to allow me the opportunity November 2. I must say it was the most polite refusal I have yet received. If you get the chance in a month or so, you might try to obtain permission for us to come in through your doctor friend there.

Sorry to hear that you won't be able to go to Omaha with me. I am afraid the people up there will be sorry too. If you get the chance, I would appreciate a copy of your notes on the remarks you made Friday night in York.

Speaking of York, here is the list of names you requested:

- L. C. Ford Jr.

  Grand Island, Neb. 68801

- Lee Keldsen
  1009 McKaig
  York, Neb.

- Ivy Conner

Dear Brother Carter:

It was a real pleasure to become acquainted with you during our recent Herald of Truth Workshop at York, Nebraska. Thank you so much for taking the responsibility of showing the Herald of Truth film strip and telling the story of our needs to congregations in your area. It is only because of dedicated and interested brethren like yourself that we are able to see this ministry expand year by year and to become even more effective than it has ever been before.

We are thrilled at the idea that there might be one hundred persons in the state of Nebraska who would buy one of your film prints at a cost of $112 per print. This would mean a tremendous increase in contributions from the state of Nebraska. We appreciate so much your encouraging support of our work; and, above all, we are grateful for your willingness to provide information. We sincerely believe that when the brethren are informed, they will respond to whatever challenge is presented properly and is in keeping with the great commission of our Lord.

We know you are sacrificing of your time and effort. We appreciate so much your willingness to help us. God bless you in all that you do.

Fraternally yours,

John Allen Chalk
