Dear Brother Chalk:

First let me say that I appreciate the lesson you gave us last evening at Central, there is no way of saying how much good it will do the church in this area. May you have many more years in which to use this special talent you seem to have to stir people up and see their duty more clearly.

The elders here said that they talked with you in regard to a meeting at Oxford, and instructed me to write you. Would it be possible for you to come here the third Sunday in June of 1969? If not at that date, what date could you come for a meeting? Our fall meeting for 1968 is not yet scheduled, so if you could work something in then it would be fine with us.

Trusting that we will hear from you soon. May God bless you in His service.

Sincerely,

H. C. Lenderman
