Dear Mr. Peik:

We were signally honored by your presence during our services week before last at Madison in the Campaign for Christ. We deeply appreciated your interest and your willingness to make a place in your schedule to attend our services.

I know you are finding your first parish a very exciting experience. I know that you will make a distinct contribution to your community and to the people who attend the congregation for which you minister. According to our very pleasant conversation, I remember suggesting that I wanted to send you some radio transcripts. These are sermons preached every Sunday on our 500-station netwr the program called Herald of Truth. You ma Sunday mornings on Radio Station WIBA, Madison, Wisconsin, at 8:05 a.m.

Enclosed are sermons for the series on "Our Unique Pea" delivered in July of this year. I am asking my secretary to place you on our regular mailing list for copies of these sermons as they are published and presented.

I look forward to an opportunity in the future to again visit with you and become better acquainted with you.

Sincerely yours,

John Allen Chalk
