Mr. Harold Poland

Monroe, La. 71201

Dear Harold:

Brother Fisher and Brother Hoke White have both mentioned to me your interest in our electric cook stove. We are moving into a house in Abilene where we will not need it but had thought that Sue's mother might want it. She has indicated to us that she will not be needing it and therefore we will be happy to sell it to you if you desire.

The stove is a 1960 model Frigidaire. It was purchased at our local Frigidaire dealer and has received all of its service from their trained personnel. My wife called the store yesterday and asked them what would be a fair price for such a stove. Their reply was \$75. It is satisfactory with us if you desire to purchase it.

We know of nothing wrong with the stove. My wife says that it is in as good working condition as it was when we bought it. If you and your wife would like to purchase it, I will be glad to hear from you.

Fraternally yours,

John Allen Chalk

We were not sure whether you knew or not that the draperies in one of the upstairs bedrooms does go with the house. If you have any questions about anything about the house, we will be happy to try to answer them.
